

## INVITATION

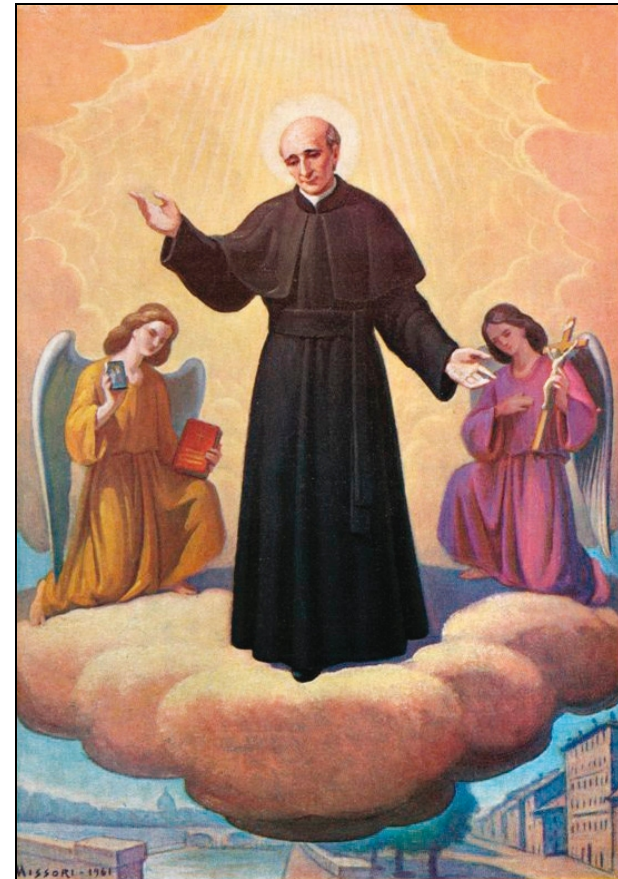

All members of the Union of Catholic Apostolate are invited to participate in the Convention on holiness. The Convention is organized by the Pallotti Institute of Rome. The topics for each day will deal with the theme of holiness and its manifold expressions in Christian life, following Pallotti's idea of the apostolate as lived out through the various paths of life within the Church (priests, consecrated persons and lay people). Each topic will therefore include a comparison between the journey towards sanctity in Pallotti's times and that of today's.
